

CERTIFICATE III IN
BARBERING
SHB30516

The Certificate III in Barbering - SHB30516

Allows you to fast track your barbering career and be working in a barber shop with the nationally recognised barber qualification in as little as 12 months.

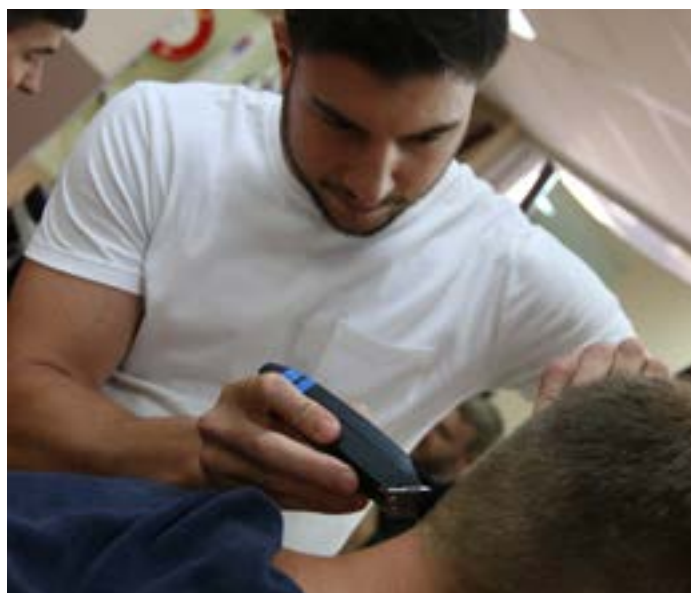

The Certificate III in Barbering - SHB30516 has been designed to teach you the skills you'll need, and at the Brisbane School of Barbering we will look to inspire you to explore your passion and creativity.

Students undertaking this qualification will learn face and neck shaving, clipper carving/track works and trimming of men's hair, beards and moustaches, as well as cutting, styling and drying to shape men's hair. Students will also learn traditional and modern barbering techniques that will include clipper/scissor over-comb, taper, graduated and layered cutting styles.

In addition you will also undertake units based on customer consultation, safety and hygiene practices, communication, product sales and others while engaging real clients in our training salon/barbershop.

Upon successful completion of the course graduates will have developed a skill set that will enable you to prosper in the exciting realms of the barbering industry

The Certificate III in Barbering - SHB30516 will comprise 21 core units plus five (5) elective units.
